Breakfast Panel

Date : 19 January 2016

Time : 8:15am-9:15am

Venue : 3/F, Grand Hall, Hong Kong Convention and Exhibition Centre

Theme: “Hong Kong : Your Super-connector to the Belt and Road Initiative”

China’s Belt and Road Initiative will strengthen economic cooperation in the vast regions of Asia, Africa and Europe. This transformational development will open up a wealth of opportunities for a great number of countries and regions.

Hong Kong, as a “super-connector” between the Mainland and the rest of the world, can play a substantial role in the Belt-Road initiative. More specifically, Hong Kong is well positioned to provide Mainland enterprises that are “going global” with financial and other professional services to support their international investment, Renminbi cross-border trade settlement and financing activities, as well as risk management.

In this session, a panel of industry experts will explore the opportunities arising from the Belt-Road initiative along with what Hong Kong has to offer to businesses, investors and financial institutions that aspire to fully leverage the initiative.
