

FSDC responds to HKEX consultation on emerging and innovative sectors

The Financial Services Development Council (FSDC) published its response today (March 20) to the Consultation Paper on a Listing Regime for Companies from Emerging and Innovative Sectors, issued by the Hong Kong Exchanges and Clearing Limited (HKEX) in February 2018.

The response can be downloaded from the FSDC website: www.fsd.org.hk/en/publications/2018.

About the FSDC

The Hong Kong Special Administrative Region Government established the FSDC in 2013 as a high-level, cross-sectoral advisory body to engage the industry in formulating proposals to promote the further development of Hong Kong's financial services industry and to map out the strategic direction for development.

The FSDC set up five committees, namely the Policy Research Committee, the Mainland Opportunities Committee, the New Business Committee, the Market Development Committee and the Human Capital Committee, as the five streams of its work.
