

Press Release

Appointments of Members to Committees of the Financial Services Development Council

Hong Kong, 22 January 2026 – The Financial Services Development Council (FSDC) today announced the appointments of its committee members, with effect from 17 January 2026.

Ten new members have been appointed to serve on the following five committees: the Policy Research Committee, Mainland Opportunities Committee, New Business Committee, Market Development Committee and Human Capital Committee, to provide counsel and support the FSDC’s work. In accordance with its Articles of Association, the FSDC consulted the Government on these appointments.

Mr Benjamin Hung, Chairman of the FSDC, said, “I am delighted to welcome our new committee members and thank our outgoing members for their valuable contributions to Hong Kong. With the diversity and breadth of expertise across our committees, the FSDC will continue to provide forward-looking, practical recommendations to support the long-term development of Hong Kong’s financial services industry and reinforce its position as a leading international financial centre.”

Looking ahead, the FSDC remains committed to advancing the development of Hong Kong’s financial services industry and strengthening its position as a leading international financial centre. By harnessing the expertise of its committee members and enhancing strategic collaboration across the financial services ecosystem, the FSDC will continue to contribute to Hong Kong’s competitiveness and connectivity in the global financial landscape.

About the Financial Services Development Council

The Financial Services Development Council (FSDC) was established in 2013 by the Government of the HKSAR as a high-level advisory body to engage the industry in formulating proposals to promote the further development of Hong Kong's financial services industry and to map out the strategic direction for development.

In September 2018, the FSDC was incorporated as a company limited by guarantee. This change allows it to better discharge its functions through research, market promotion, and human capital development with greater flexibility.
