

#### Simone SONG

Simone Song is the founder of ORI Capital (“ORI”), and the senior partner of ORI Healthcare Funds which focus on investing in early stage and innovative healthcare companies globally.

Simone chairs the Investment Committee of ORI and formulates ORI’s quantamental investment strategy that incorporates artificial intelligence with human analyses. She is the architect of ORI’s proprietary AI-empowered ecosystem specifically developed for healthcare venture investment. She also oversees deal origination, due diligence, valuation, making investment, and portfolio management.

Simone currently serves as investor director on a few companies that ORI Healthcare Funds have invested in, including Affylmmune, CG Oncology Inc., Enable Injections and Pillar Biosciences.

Simone was the former Head of Goldman Sachs Healthcare Investment Banking for Greater China. Prior to joining Goldman Sachs, she was a Managing Director of Cowen Group; a member of the advisory board of AXA Investment Managers, and an executive board advisor to AXA Asia Pacific Holdings.

Simone received a BA in Economics from Fudan University in China and a MA in Economics from Claremont Graduate School.

宋红方 Simone

宋女士是ORI Capital (“ORI”) 的创始人，同时也是专注于全球早期和创新医疗保健公司投资的ORI Healthcare Funds的高级合伙人。

宋女士担任ORI的投资委员会主席，并制定ORI的量化投资策略，该策略将人工智能与真人分析相结合。她是ORI拥有专利的专为医疗风险投资开发的人工智能赋能的生态系统的缔造者。她还负责交易发起、尽职调查、估值、投资决策和投资组合管理。

宋女士目前还担任ORI Healthcare Funds所投资的公司董事，包括Affylmmune、CG Oncology Inc.、Enable Injections和Pillar Biosciences。

宋女士曾担任高盛集团大中华区医疗投资银行部主管。在加入高盛集团之前，她曾担任Cowen Group 董事总经理、AXA Investment Managers 顾问委员会成员，以及 AXA Asia Pacific Holdings 执行董事会顾问。

宋女士在中国复旦大学获得经济学学士学位，在克莱蒙特研究生院获得经济学硕士学位。
