

Katy Tung

Chief Executive Officer, Sustainable Finance Initiative

Katy Yung is the Chief Executive Officer of Sustainable Finance Initiative (SFi), a global platform created by and for Asia Pacific-focused private investors and changemakers, who believe in mobilising private capital for positive impact. SFi advises, guides and collaborates with impact driven family offices, asset owners, private investors, and financial services professionals to best position their capital for profit and purpose.

Prior to founding SFi, Katy was Director of Investment at HK-based family office RS Group, where she led their transition from a traditional investment portfolio to one that was 100% sustainably invested. In this role, she was actively involved in designing and implementing impact and climate change strategies across asset classes.

She started her career in investment banking at J.P. Morgan Securities (Asia Pacific) Limited, where she focused on capital raising and M&A transactions across a diverse range of sectors.

Katy graduated from Duke University, NC with a Bachelor degree in Economics, Comparative Area Studies.
